## **Myers & Chapman hosted Spring Meet and Greet event for Charlotte Chapter of the United States Green Building Council (USGBC)**

Charlotte, NC, March 26, 2010-- Myers & Chapman hosted the Spring Meet and Greet event for the Charlotte Chapter of the United States Green Building Council (USGBC). The event, held at Myers & Chapman's office on March 18<sup>th</sup>, provided an opportunity for members who have joined the Chapter during the last six months to meet and mingle with the other new members, and to meet the members of the Charlotte Chapter Board of Directors.

The Charlotte USGBC is the local area chapter of the United States Green Building Council. The goal of the USGBC is to promote and advocate for sustainable buildings, sites, practices, products, and lifestyles through the education of professionals. Approximately 60 people attended the event and enjoyed good fellowship, sustainable-based trivia contests and a tour of Myers & Chapman's office. The office was the recent recipient of Gold Certification through the USGBC's Commercial Interiors program, and was awarded the Green Renovation of the Year (2009) award by Mecklenburg County.

Myers & Chapman is a proud sponsor of the Charlotte Chapter of the USGBC.
